

The Four Winds Society, Inc.

Dear Light Body or Medicine Wheel student or graduate,

Thank you for your interest in The Way of the Sage program.

This program will immerse you in the work of the Shaman Sage. You will form part of a core group of individuals deeply committed to each other and to delving into the heart of the shamanic teachings. Our goal is to master the essential practices of this ancient tradition so we can implement them in the field of business, education, politics, management, government, and spirituality.

To register for The Way of the Sage please fill out the enclosed application and select the five Master's Classes you wish to take. The cost of the program is \$500 and \$200 will be applied to your last class. All Master's classes must be completed within a two-year time period (unless prior approval is arranged). Classes completed two years prior to registration may qualify for credit.

Please review the attached list of faculty who are available as direct mentors. Mentors will assist you in your growth and help facilitate your shamanic work. The mentorship includes six one half hour sessions (by phone or email or a combination of both) with your faculty advisor to assist you in implementing the skills you learn in each Master's Class and through your training. Together you will work on personalizing and individualizing your training.

Please fill out the enclosed registration form and select your mentor from the attached list and return the form to the Four Winds Office. Mentors will be assigned on a first come basis.

You will receive a Shaman Sage Professional Certification upon completion of your final course.
