

THE FOUR WINDS SOCIETY

KIDS OF THE FUTURE

JUNE 24
- JULY 5

We are excited to offer a new program for children ages 10 -16 called the Kids of the Future. Participants will travel through the Medicine Wheel teachings, build an altar and receive all nine rites of shaman initiations.

JUNE 24-JULY 5,
2008

\$2850 LAND COSTS

All participants must have a parent or guardian who is attending the Peru 2008 Via Illuminata Journey and will stay with their parents or guardians at the hotel in the evenings. Depending on the number of registrations there will probably be two groups, separated by age: Ages 8 -12 and Ages 13-16. We are also looking into the option of one or two nights of camping, without parents, at the Sanctuary (which is about 30 minutes from the hotel and very safe) where they will participate in a vision quest.

Each group will have its own trained guide and Four Winds Staff. Each day will include some hiking at an Inka ruin, and a combination of lecture/teachings, art, rites and ceremonies. There will be longer hikes for the older age group. Breakfasts will be at the Hotels and is included with the rooms. Light lunches will be provided during the day and dinners will be included on the camping portions of the trip. The remaining dinners are with parents and are not included in the cost of the trip.

We would like to encourage families to sign up early since the number of participants will be limited and the trip will fill quickly. We are offering a \$100 discount per child if your register with your deposit of \$500 before November 1, 2007 for both the adult and the child, or a family discount of \$500 off for a family of four or more.
