

THE FOUR WINDS SOCIETY

THE SHAMAN'S WAY OF HEALING AN EVENING LECTURE WITH JEANETTE MANTEL

FRIDAY, OCTOBER 9
EVENING LECTURE
6:30 PM - 9:00 PM
COST: € 25

Shamans understand that we have a luminous energy field that surrounds the physical body, and which holds a record of all our emotional, physical, and spiritual traumas; the luminous energy field is a blueprint that determines how we will heal, how we will live and how we might die.

In this introductory lecture, Jeanette Mantel, a member of The Four Winds Senior Staff, will discuss the healing practices employed for 10,000 years by the Shamans of the Americas. The ancient practices are presented in a scientific and practical system of energy healing that allows us to discover states of exceptional health and well-being, as well the opportunity for conscious participation in our future evolution.

This lecture is an incredible opportunity to gain insight into the healing techniques from the Shamans of the Americas.
